EDUCATION

Coding Bootcamp — *Certificate of the thing*

October 2023

Coding school description.

West Virginia University — *Bachelor's of Science*

January 2013 - May 2017

While in undergrad I attained a degree in science with degrees in Horticulture, Sustainable Design and Landscape Design.

EXPERIENCE

Plantscape, Pittsburgh, PA —Account Manager

December 2021 - February 2023

In 2021 I was hired as an Account Manager. During this time I managed a team of Horticulturalists and prepared them for their duties in the field. Here I honed my horticultural knowledge and grew in experience and knowledge.

The Blackwood Group, Sewickley, PA —Team Leader

April 2019 - November 2021

In 2019 I was hired as an assistant team leader and was promoted in early 2020. I have skills in landscaping, hardscaping, planting and machine operation.

Turfmaster, Canonsburg, PA —Crew Lead

May 2013 - March 2019

I worked this as my summer job during college and converted to full time and a better position when I graduated. I started this job at $9 an hour and finished at $17 an hour.
